## Career Objective

Seeking a cyber-security role where I can utilize my expertise in threat analysis and security awareness training to protect organizations from evolving threats. Leveraging my experience as a simulated Security Awareness Analyst at MasterCard, where I successfully identified and reported security threats, implemented targeted training programs, and enhanced security posture across teams, to drive business resilience and safeguard digital assets.

## Skills

- Security Tools (***beginner level***): Nmap, Burp Suite, Maltego, Wireshark, Cisco Packet Tracer
- Front-End Development (***intermediate level***): HTML, CSS, JavaScript, ReactJs
- Back-End development (***beginner level***): Python flask, MySQL
- Effective cross-functional team collaboration
- Excellent problem-solving and analytical skills
- Aptitude for rapid learning and adaptation
- Dedicated to delivering high-quality work

## Certification

CompTIA Security+ (2024)

[Portfolio](#)

## Work Experience

*MasterCard Cyber Security Virtual Experience Program on Forage*

July 2024

- Completed a job simulation where I served as an analyst on MasterCard's Security Awareness Team
- Helped identify and report security threats such as phishing
- Analyzed and identified which areas of the business needed more robust security training and implemented training courses and procedures for those teams

## *Xellux Technologies - Junior Frontend Developer*

January 2023 – 2024

- Develop and maintain visually appealing, user-friendly websites and web applications using HTML, CSS, JavaScript, ReactJs.
- Collaborate with cross-functional teams, including designers, developers, and product managers, to meet user needs and expectations.
- Optimize websites and applications for speed, accessibility, and cross-browser compatibility.
- Debug and resolve technical issues promptly to ensure a seamless user experience.

## **Education**

### *Relevant coursework*

Networking, Operating Systems, Cryptography, Cybersecurity Fundamentals, Ethical Hacking, Web Penetration Testing

### *Federal University of Agriculture, Abeokuta, Ogun State, Nigeria*

Bachelor of Science (B.Sc.), Computer Science (Second Class Honours, Lower Division)

2018

### *Paragon International Group of School, Ogun State, Nigeria*

West Africa Senior Certificate

Examination 2012

## **Languages**

- English (Excellent)

## **Extra-curricular Activities & Interests**

- Reading Fantasy Novels

- Watching Animations
